

GYM SAFE EXPRESS PLUS Quickdraw

Ref. 311911 / 311918

Specific quickdraw for climbing gyms and artificial walls

Durable plastic material protects the dogbone and reduces wear and tear on the climbing wall. Protectors also hold the carabiner and quicklink in the correct orientation and reduce noise when the quickdraw bangs against the wall

16 mm Nylon dogbones available in 11 and 18 cm lengths

Pre-equipped with a Gym Safe steel carabiner and a 10 mm steel oval quicklink
